¾ to 1 in.	2.50	14.00
5/8 to ¾ in.	1.75	11.00

FOREIGN GROWN

HYACINTHS

Through oversight these were omitted from Holland Bulbs in List 2301. Sizes are by circumference in centimeters. Dividing by 8 will give a very close approximation to diameter in inches. Any of the standard sorts can be supplied or if ordered by colors only I will select the best varieties.

		Per 1000
Selected	19 cm up	70.00
1st size	18-19 cm	60.00
2nd size	17-18 cm	50.00
3rd size	16-17 cm	40.00
bedding	15-16 cm	30.00
mixed	15-16 cm	26.00
miniatures	12-14 cm	20.00

LILIES

The following are all imported from Japan. Prices quoted are f.o.b. San Francisco. Grading is by circumference in inches. Case prices only apply for full case lots of one kind and size. Varieties arrive at different times and orders will be filled as fast as they arrive from Japan.

REPORT

of the

Joint Commission on the Organization and Administration of the Federal Bureau of Investigation

1955-1956

Presented to the Congress of the United States
in two volumes
Volume I
Organizational Structure and Administration

GAO REPORT NO. 56-210

The following is a summary of the findings and recommendations of the Joint Commission on the Organization and Administration of the Federal Bureau of Investigation, as presented in the report of the Commission to the Congress of the United States, in two volumes, Volume I, Organizational Structure and Administration, and Volume II, Management and Administration.

The Commission was organized by the Senate Select Committee on Governmental Organization and Administration and the House Select Committee on Governmental Organization and Administration, in 1954, to study and report on the organization and administration of the Federal Bureau of Investigation (FBI).

The Commission's findings and recommendations are presented in the following sections:

- 1. Introduction
- 2. The Federal Bureau of Investigation: A History of Growth and Change
- 3. The Current Organization of the FBI
- 4. The Commission's Findings and Recommendations
- 5. Conclusion

The Commission's findings and recommendations are based on a comprehensive study of the FBI's organization and administration, including a review of the FBI's history, a study of the FBI's current organization and administration, and a comparison of the FBI's organization and administration with those of other federal law enforcement agencies.

The Commission's findings and recommendations are presented in the following sections:

- 1. Introduction
- 2. The Federal Bureau of Investigation: A History of Growth and Change
- 3. The Current Organization of the FBI
- 4. The Commission's Findings and Recommendations
- 5. Conclusion

LILIES

GIGANTEUM

The standard variety for pot culture. The 7 to 9 inch size is most commonly used. Larger sizes are scarce and are booked subject to arrival from Japan.

	case cont	per case	per 100
10-11 in.	160	56.	40.
9 -10 in.	200	56.	30.
8 -9 in.	225	55.	26.
7 -9 in.	300	44.	17.
6 -8 in.	400	40.	12.50

MULTIFLORUM

A specially fine form of L. longiflorum thought to produce more flowers to the bulb than others.

10-11 in.	160	60.	40.
9 -10 in.	200	60.	35.
8 -9 in.	250	55.	24.
7 -9 in.	300	55.	20.

FORMOSUM

A vigorous grower used mainly for cutting. Is the first to arrive and comes into bloom very early.

10-11 in.	160	34.	25.
9 -10 in.	200	34.	20.
8 -9 in.	250	32.	15.
7 -9 in.	300	32.	12.50

AURATUM One of the largest known lilies. White dotted red with gold band on each petal.

11-13 in.	90	20.	25.
9 -11 in.	125	20.	18.
8 -9 in.	180	16.	10.

AURATUM PLATYPHYLLUM A superior variety of preceding. Grows taller and has enormous flowers sometimes a foot across.

11-13 in.	90	26.	30.
9 -11 in.	125	25.	22.
8 -9 in.	180	25.	15.

HENRYI Flowers orange yellow spotted red. Sometimes called Yellow Speciosum. Good.

9 -11 in.	125	22.	20.
8 -9 in.	180	22.	15.

SPECIOSUM ALBUM

Well known variety. Flowers white lightly spotted red.

9 -11 in.	140	30.	25.
8 -9 in.	220	30.	16.
7 -9 in.	250	25.	12.

SPECIOSUM RUBRUM

Like preceding variety except that the flowers are tinged red.

9 -11 in.	150	21.	15.
8 -9 in.	200	20.	12.
7 -9 in.	250	20.	10.

SPECIOSUM MELPOMENE

Has deep carmine flowers spotted blood red.

9 -11 in.	150	21.	15.
8 -9 in.	200	20.	12.
7 -9 in.	250	20.	10.

SPECIOSUM MAGNIFICUM Flowers very similar to preceding variety but larger. More vigorous and blooms earlier.

9 -11 in.	150	21.	15.
8 -9 in.	200	20.	12.
7 -9 in.	250	20.	10.

TIGRINUM Well known single Tiger Lily. Bright salmon red spotted purplish black.

9 -10 in.	150	27.	20.
8 -9 in.	250	27.	12.

TIGRINUM FL. PL. Double Tiger Lily

7 -8 in.	300	30.	12.
